

CARDIOVASCULAR DISEASE FELLOWSHIP

The FAU Cardiovascular Disease Fellowship Program at Delray Medical Center Presents:

July 11, 2025 at 12 PM

ABYSS Trial

Abhishek Kumar, MD PGY - 5

In the Valve Clinic Conference Room or via Zoom Link:

<https://fau-edu.zoom.us/j/86432352310?pwd=aTY3iZc1xHSjMY0wNbpBINLmWA8wsO.1>

Learning Objectives:

1. Develop a comprehensive understanding of the role of beta blocker after myocardial infarction. This includes the fundamental concepts of myocardial ischemia, indications of beta blockers in myocardial infarction and impact in quality of life.
2. Enhance the process of clinical assessment of beta blockers and their use after myocardial infarction.. This learning objective emphasizes the development of analytical and problem-solving abilities. It involves practicing critical thinking skills such as logical reasoning, evaluation of evidence, and the ability to identify and solve complex problems. The objective also includes fostering creativity and innovation in finding effective solutions.
3. Improve communication and collaboration skills: This learning objective focuses on enhancing interpersonal and communication skills, as well as the ability to work effectively in teams. It involves developing strong verbal and written communication skills, active listening, and the ability to articulate ideas clearly. The objective also includes cultivating teamwork skills such as cooperation, negotiation, and the ability to contribute positively to group dynamics.

Target Audience:

All Physicians, Fellows, Residents, Medical Students, PAs, Nurses and other Healthcare professionals.

Physician Credit:

Delray Medical Center is accredited by Florida Medical Association (FMA) to provide continuing medical education for physicians. Delray Medical Center designates this live activity for a maximum of 1.0 AMA PRA Category 1 credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. This activity will be reported directly to CE Broker after learners complete the evaluation form.
